PERSONAL STATEMENT

Passionate 2D Animator with 5+ years of experience in bringing characters and stories to life through expressive animation and thoughtful acting. I enjoy exploring different animation styles and finding the little details that make a character feel alive. Experienced in frame-by-frame and puppet animation, clean-up and colour, with a passion for learning new tools and adapting to different visual styles.

WORK HISTORY

September 2026 – Present

2D Clean-up and Colour Artist

Odd and Even Pictures LLP

- 2D animation clean-up and colouring in Clip Studio Paint.
- Cleaned rough animation while preserving the original acting, poses and movement.
- Created clean, consistent linework following character and model references.
- Adapted quickly to Clip Studio Paint as a new tool within the production workflow.
- Incorporated feedback and corrections while maintaining visual consistency.

February 2026 – August 2026

2D Clean-up, Colour Artist and Animator

Eunoians Studio Pvt. Ltd., Kochi

- Delivered finished work to precise specifications following verbal and written briefs.
- Created clean, consistent paintwork with attention to shape, proportions and model sheets.
- Worked with layer organisation, clipping, alpha lock and selections for efficient colouring.
- Followed production notes and incorporated corrections efficiently.

February 2024 – January 2026

2D Animator

ZVoid Studios Pvt. Ltd.

- Animated for the YouTube series MSA (previously My Story Animated).
- Animated for the YouTube channel Naxon: "Stories For Men" and "Artul" money stories.
- Turned lead feedback into actionable tasks, ensuring all project requirements were met.
- Worked in chibi, comic and anime animation styles.
- Used Blender (Grease Pencil) to craft animation.
- Created key poses and worked closely with the background artist to meet requirements.

November 2020 – January 2024

Junior Animator → Animator

Motion PhilmCGI, Pune

- Worked on a semi-realistic animation project using puppet and classical animation.
- Worked on storyboarding, character study and pre-production.
- Animated on the music video “Something to Lose” by KBIR.
- Animated on the YouTube series Lupin’s Tale.
- Contributed ideas in brainstorming sessions that were adopted by the team.
- Turned client feedback into actionable tasks, ensuring all project requirements were met.
- Worked on multiple projects simultaneously while meeting tight deadlines.

June 2019 – August 2019

Prop and Staging Intern

Phoebus Creation Media Pvt. Ltd.

- Created and maintained 2D prop designs for a series; traced and coloured rough props from the animatic.
- Coordinated with senior animators to address issues, improving overall project efficiency.
- Contributed to storyboarding sessions that led to more cohesive visual storytelling.
- Gave constructive feedback to team members, helping improve animation quality.
- Used Toon Boom Harmony and Adobe Animate across projects.

EDUCATION

October 2020

BSc Animation and Gaming

Bharati Vidyapeeth Deemed University, Pune, Maharashtra

- Graduated with a 9.32 CGPA.
